

You are cordially invited to an
Eco-Cities Strategy Workshop

Tianjin China

Renaissance Tianjin TEDA Hotel, 29 Second Avenue

September 24, 2014, 1:00 PM – 5:00 PM

A Strategy Workshop with invited cities to produce an agreed upon set of Eco-City Guidelines and identify the best options to move their work forward. Eco-City guidelines are fundamentals for the implementation of Eco-Cities. Under the framework of DOE/MOHURD Eco-City MOU, drafts of Eco-City Guidelines have been developed. It is timely to review those works, develop an integrated framework and establish a plan for implementation.

Organized by

The Chinese Society for Urban Studies

And the US Green Building Council

In cooperation with

Ministry of Housing and Urban-Rural Development

US Department of Energy

In conjunction with the

China Urban Development and Planning Conference
